*This is not primarily the place we have to be.
It is the place where we are.

ACTIVITIES

A

FALL

School Opens On August 23

The last day of the week seemed to be a most improbable day to begin a school year; however, the Eastern staff and student body found themselves on the campus early on a hot, humid Friday and began the throes of registration. August 23 will be remembered as the day school "started" with only ONE copy of the class schedule, some sixty new students registering to swell our numbers to nearly 1,000, and eight new teachers, who were welcomed by returning Eagles. The office was understandably "busy" and our new secretary found that she had enough tasks to keep her occupied — a condition she had requested.

Notes were made and cameras clicked as photographers attempted to record on film and paper some aspects of the first day of the 1974-1975 school year.

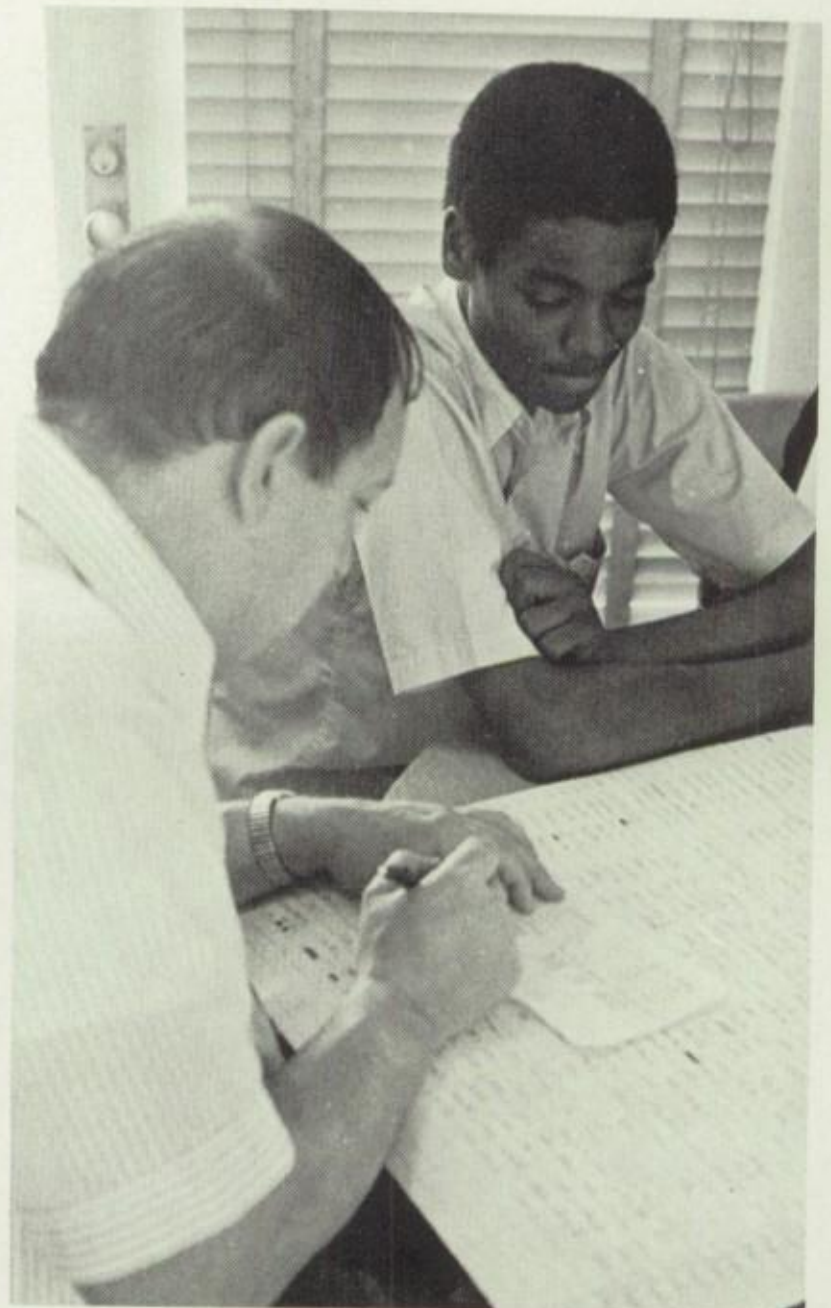

No, people. Break DOESN'T count as one unit.

It wouldn't be so funny if it happened to you!

Senior homerooms are full in '74-75.

Eric, you can't have seven classes!

Spirit Day

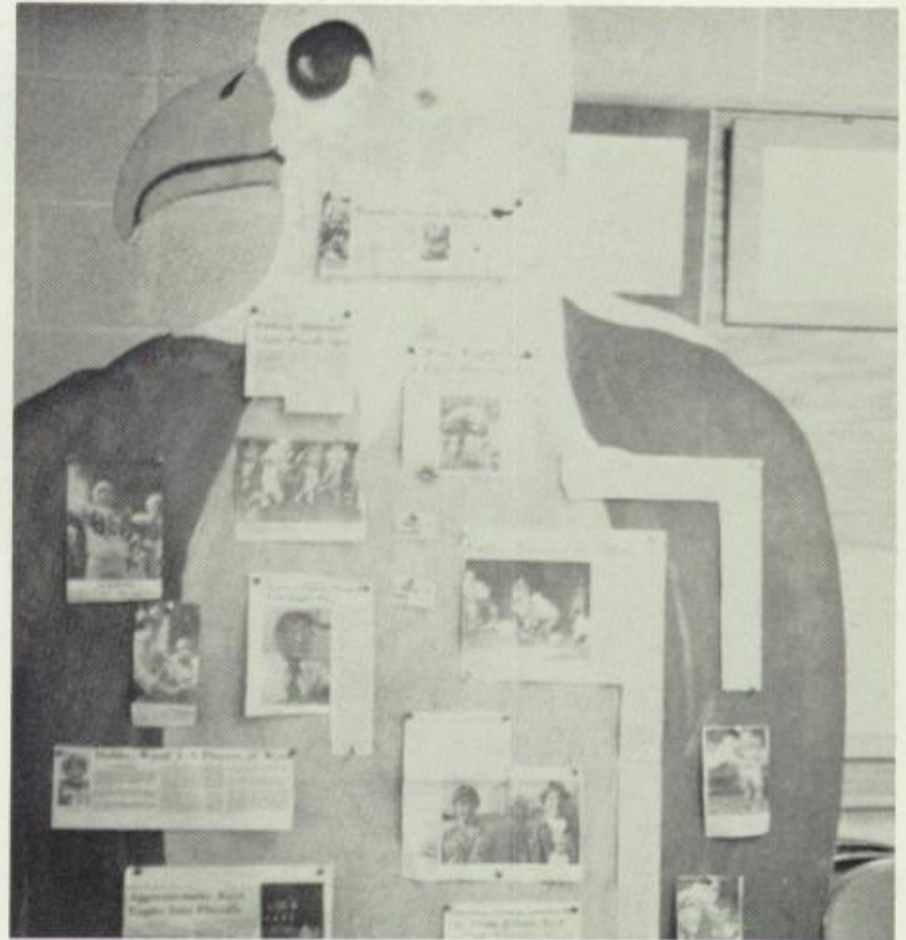

"All my life I've dreamed of being the Go-Get 'um Goober Grapler, and now I've finally got my chance."

"Heh, heh, heh, By Golly, I've done it. I am the Best! I am CHAMP!"

"No, No, You can't do this to me! How was I supposed to know you had to be a member of the PPPA (Professional Peanut Pushers Association)?"

JV's Season Is Successful

The Junior Varsity football team had a very successful 1974 season, closing with 6-2-1 overall record. The two losses went to Graham and Southern. Southern eventually won both the conference and City-County titles. Both losing games were highly contested and ended with close scores. The baby Eagles finished in second place in City-County competition and third in Mid-State East conference play.

The offense was led by quarterback Archie Wilborn who exhibited excellent play selection and good passing. The combined efforts of Roger Massey, Jay Smith, Mike Shepherd and Angie Bartis accounted for an impressive amount of yardage for Eastern.

Bartis and Blackwell joined Russell McGee and Steve Scarlett in leading the Eagle defense.

Head Coach Mike Clayton and assistant Lee Lovette were aided in their duties by Bill Scott. A large number of Eagle fans attended the games, both at home and "on the road".

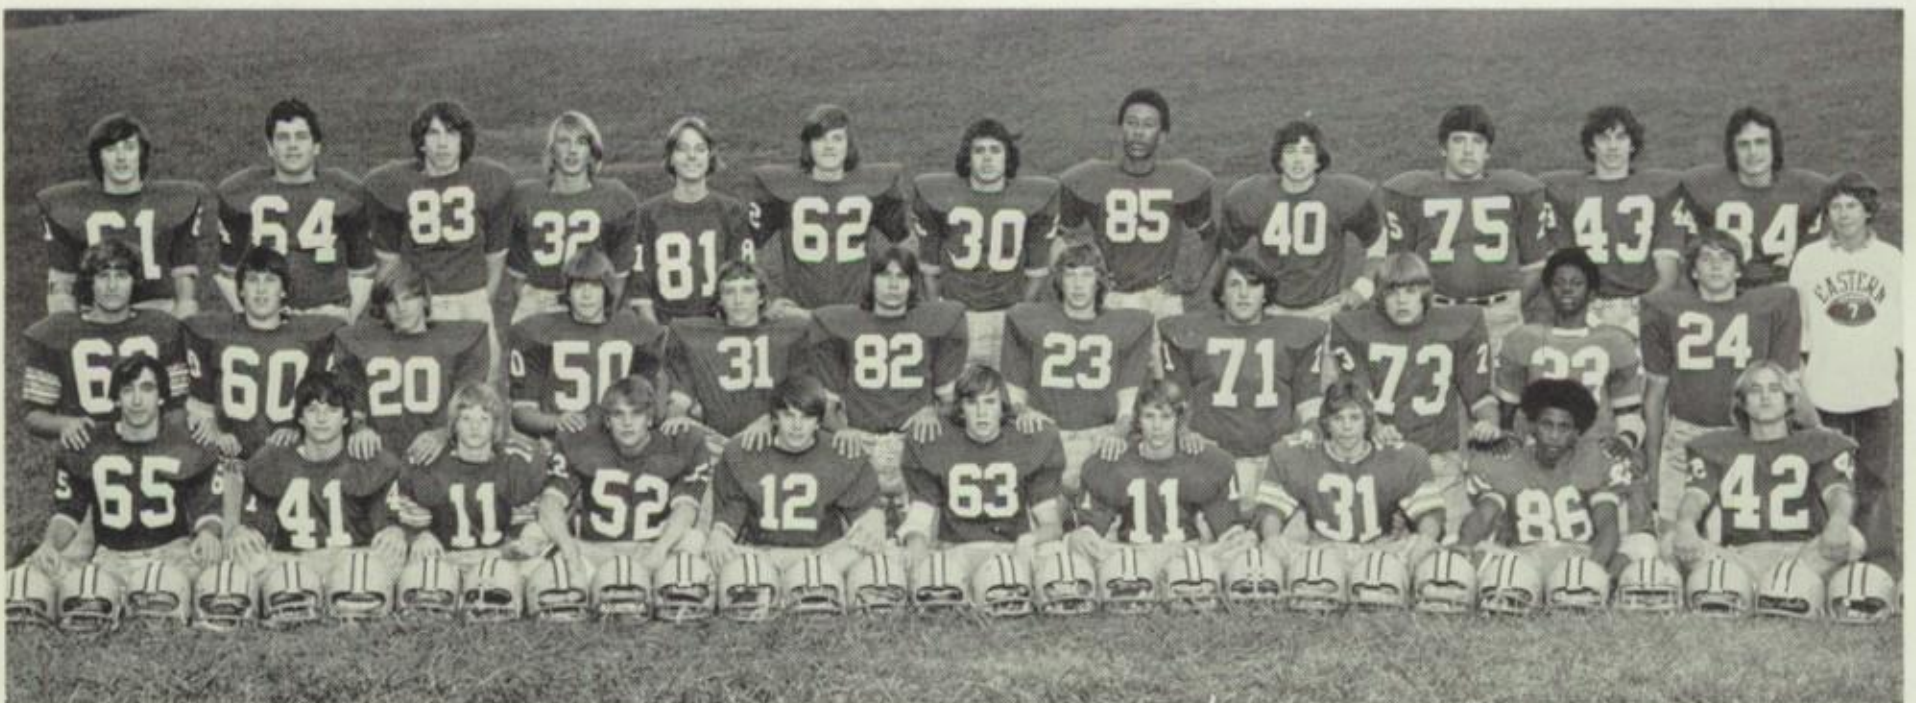

The experience gained by these young Eagles will be valuable as they move into the ranks of varsity play.

Young Eagle Team Captures Mid-State East Play-Off Berth

Largely inexperienced, light, enthusiastic, determined, increasingly aggressive — The varsity football players opened the 1974 season with predictions of finishing mid-way in the final standings. The inexperience of the Eagles was tested early in the season by a rough non-conference schedule.

Winning the first game against Northeast, the Eagles then went down in successive defeats to Southeast, Cummings, and Ragsdale. The three early losses were backed by three satisfactory wins over Eastern Guilford, Bartlett Yancy, and Graham.

The Eastern Guilford game was not decided until the closing minutes when Vernon Riley prevented a Wildcat pass for two points and gave the game to Eastern by a narrow margin.

The Eagles took the offensive early in the Bartlett Yancy game and controlled the play almost entirely. Coach Brady substituted freely and the large crowd of spectators were delighted with the Eagle ball play.

The defensive team of Eastern proved to be more than a match for a strong Graham offense, and the Eagles played with few mistakes. Graham was held to a single score on a safety.

Western proved to be a surprising opponent on October 23 and Eastern suffered defeat before a large homecoming crowd.

The Eagle fans were elated the following week with a satisfying win over Southern Alamance. The Eastern team played superbly and won the game on a

well-placed field goal by Stan Williams.

In the final game of the season, a win over East Randolph gave the Eagles a play-off berth in Mid-State East conference play.

Coach Brady and Coach Walker started seniors in only five positions; twelve juniors and three sophomores completed the roster, with two players playing both offense and defense.

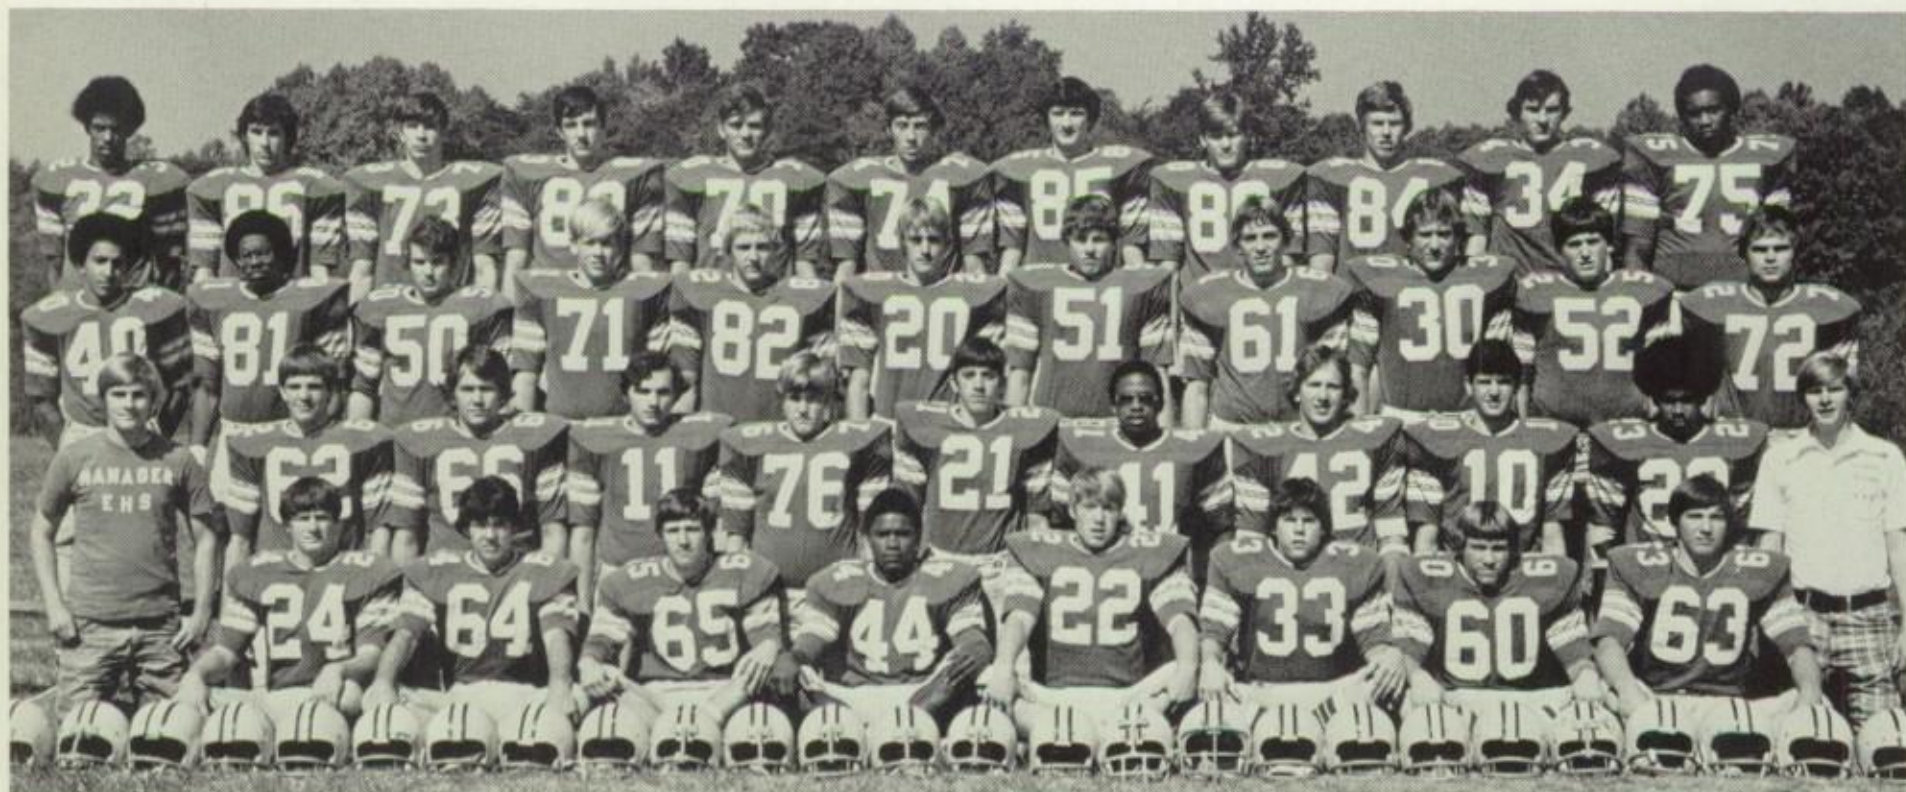

Coach Brady attributed the improved play and soaring spirit as the season progressed to several reasons. The election of Spencer Woods and Edward Ray as captains midway during the season proved to be a "jelling" factor. Both coaches continually stressed the importance of the job each player was assigned. The inexperienced players gradually matured into veterans.

The final season record was 6-4; the conference, 4-1.

Coach Brady was awarded Coach of the Year honors in both the City-County and Mid-State East categories for his guidance of the Eastern team.

All Mid-State East and All City-County honors went to Jerry Broome, Alfred Lambert, Robbie Harris, Spencer Woods, Edward Ray, and Steve Hobbs.

Warren Webster, Mark Warren, Tony Trollinger, Greg Chandler, and Danny Blanchard were named Honorable Mention All-Conference. Webster, Trollinger, and Chandler also received All City-County Honorable Mention.

Eagles Suffer Defeat in Initial Play-Off Game

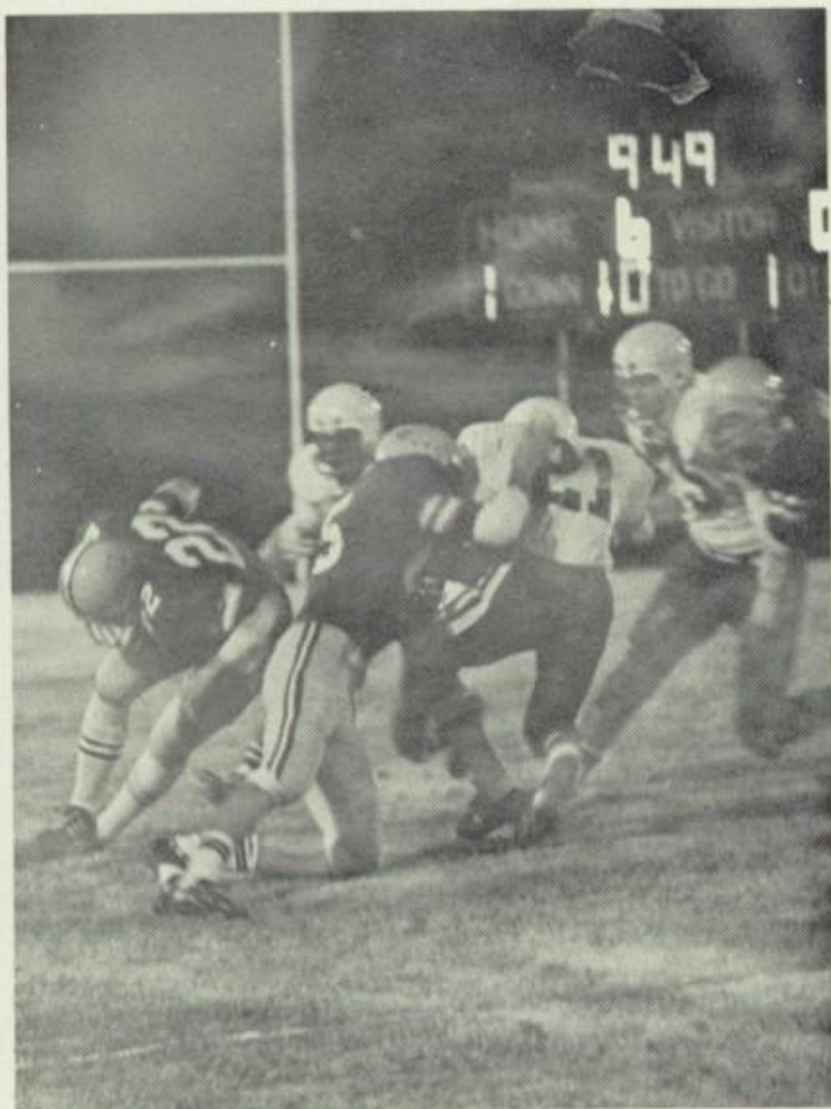

Spencer Woods follows center Jerry Broome on a reverse in a play-off game.

A large group of Eastern fans accompanied the Eagles to Ragsdale on November 15 for the first-round game of the Mid-State East playoffs. The weather was bitterly cold but spirits were high and the team was ready to play ball. Remembering the previous meeting with Ragsdale, Coaches Brady and Walker had emphasized defensive plays during the proceeding week of practice and had helped to sharpen several offensive plays.

Scoring on the third play of the game, the Tigers showed their speed and prowess which later enabled them to gain a state 3-A championship. Adams and Odum gave their expected fine performances of ball handling and led Ragsdale to an easy victory.

The Eagles put two touchdowns on the scoreboard during the second half. Quarterback Edward Ray carried the ball over for a score on a short run after a series of ground plays put Eastern in good position. A two point conversion failed. A twenty-five yard pass from Ray to Bob Sutton was good for the second Eagle score. A two point conversion pass was also unsuccessful.

The final score of the game was 40-12.

Darlene Harris — Homecoming Queen 1974

On October 11, Eagle Alumni and fans gathered for Eastern's annual "Homecoming". Supporters of the Green and Gold were jubilant as Coach Brady's charges won the football game in impressive fashion, defeating the Bartlett-Yancy Buccaneers 36-14.

At half-time the spectators were entertained by the festive Homecoming activities. The program had an autumn theme with the area decorated with pumpkins and cornstalks. The highlight of the occasion was the crowning of Darlene Harris as Homecoming Queen. Deborah Johnson was named Maid-of-Honor.

Included in the Homecoming court were representatives of the freshmen, sophomore, and junior classes. Senior members of the court were Judy Wilson, Deborah Johnson, Donna Corbett, Anita Torian, Alita Evans, Shirley Lloyd, Shirley Thompson, Pearl Burton, Susie Bullard, Barbara Myers, Nancy Jackson, Diane Cook, Myla Riley, Debbie Pore, and Cindy Sykes.

Following the game, Eastern students and former students attended the Homecoming dance in the gymnasium.

Boosters Make Major Contributions to School Sports

The Booster's Club is composed of parents, teachers, and friends of the students who attend Eastern High School. Interested in aiding the total school program, members have contributed generously of their time, energy, talents, and money to make life at Eastern happier and more meaningful for students.

The most noticeable contribution for 1975 are in the areas of athletics and music. Among the completed projects are the reseeding and maintaining of the football stadium turf, the completion of the practice and physical education field, the pledge of over \$4,000 to purchase uniforms for the girls' basketball team, the wrestling team, baseball team, girls' and boys' track teams and shirts for the golf and tennis teams.

An all sports banquet was held in the spring to honor all Eastern athletics.

Eagles Finish Second in Mid-State East

Finishing second in Mid-State East Conference play behind a good Graham Red Devil team, the Eagle varsity basketball players turned in contrasting performances as the season progressed. Often their play was controlled and excellent, and good teams were routed by the fast run-and-shoot offense led by Tony Swann, Henry Kimber, and Lee Allison.

Sophomore Lee Allison was the surprise element of a rebuilding team. Allison's rebounding and scoring average was an invaluable asset to the Eastern team. Swann copped scoring honors for the East division and consistently delighted fans with his "soft," accurate shots. Kimber and Dwight Love contributed much to the Eagle success, as did Spencer Woods.

Stan Williams saw a lot of action as point guard and Gary Bryant added height and experience to the line-up when needed.

The Gold team was assigned the important tasks of holding the score for the starters to rest and often were called on to add points to the Eagle score. Doug Ruffin, Gathern Harrelson, Tim Rice and Tony Trollinger made up this team and gained valuable experience.

Swann, Kimber, Love and Allison were named to the Mid-State East conference team. Woods received an honorable mention.

The team was well supported by fans both at home and on the road.

The regular season record read 14-6.

Girls Varsity Team Breaks Even in Season

Playing behind co-captains Carol Dixon and Anita Torain and Marcella Bullard the Eaglettes broke even on the season's record. The five starters had all seen action in the previous season and slipped easily into leading roles in game play.

Freda Crawford, Anita Torain, and Bullard gave good height to the team and Sharon Foust and Tammy Whited proved to be scrappy guards. Crawford, Foust, and Bullard often scored in double figures.

Dixon and Patricia Ratterman saw frequent action as substitutes.

Newcomers to the varsity girls' team were eight freshmen who had worked to gain a position and to improve their playing ability. All of these new Eaglettes participated in game play and contributed to the success of the team. Freshmen Lisa Ward, Kay Kinley, Julie Hupman, and Sherri Satterfield were often able to give the starters a rest and were delighted to add to the Eaglette score.

For their fine season performances, Marcella Bullard was named to the All Mid-State East Conference team and Freda Crawford received an Honorable Mention — All Mid-State East Conference.

J.V.'s Score Satisfactory Season

The Eastern junior varsity basketball team closed the season with a 12-8 record and a third place Mid-State East division spot. Coach Bryan Wall's charges played most games to close scores and gave a creditable show of ball handling.

Working with rotating captains, the young Eagles played consistently and showed promise of developing into experienced varsity men.

Playmaker Ed Ray and guard Jeff Watkins had a particularly deadly outside shot. Center Ralph Grizzle and forward Ricky McCandies filled needed defensive shots with their rebounding tactics. Danny Blackwell, Nelson Miles, Angie Bartis, and Gary Turner contributed much to the success of the team.

J.V. Cheerleaders Contribute to Eagle Spirit

Varsity Gains Finals in District Play

Lee Allison arches his free throw toward the basket.

Spencer Woods fights his way to the bucket.

The three Eastern basketball teams traveled to Elon for tournament play with high hopes of winning the Mid-State East division crowns. The Junior Varsity team gained wins over Southern and Western and then lost to Graham in the final game with a close score.

Both varsity teams were defeated in early play. The Eaglettes lost to Southern after a close game. For finishing second in regular season play, the Eagle Varsity received a first round bye. Eastern's opponent, Eastern Randolph, won in the closing seconds of the game.

The tournament at Elon completed the season for the Junior Varsity and Eaglettes; however, the second-place finish gave the Eagles an opportunity to compete in district play at High Point. Western Guilford proved to be an easy opponent in the opening game. Eastern next met and defeated Northwest Guilford.

In the championship game, Eastern met a perennial foe — Graham. Hoping to gain a win over a team that had beaten them twice in regular season play, the Eagles were unable to organize either an effective offense or defense and suffered a sound defeat.

Overall, the Eagle Varsity team posted an excellent season record. Playing with only one returning starter, Coach Clayton's team turned a "rebuilding" year into a "winning" year.

The JV's Danny Blackwell leaps for a lay-up off the fast break.

Eagle Grapplers Place Third in Conference

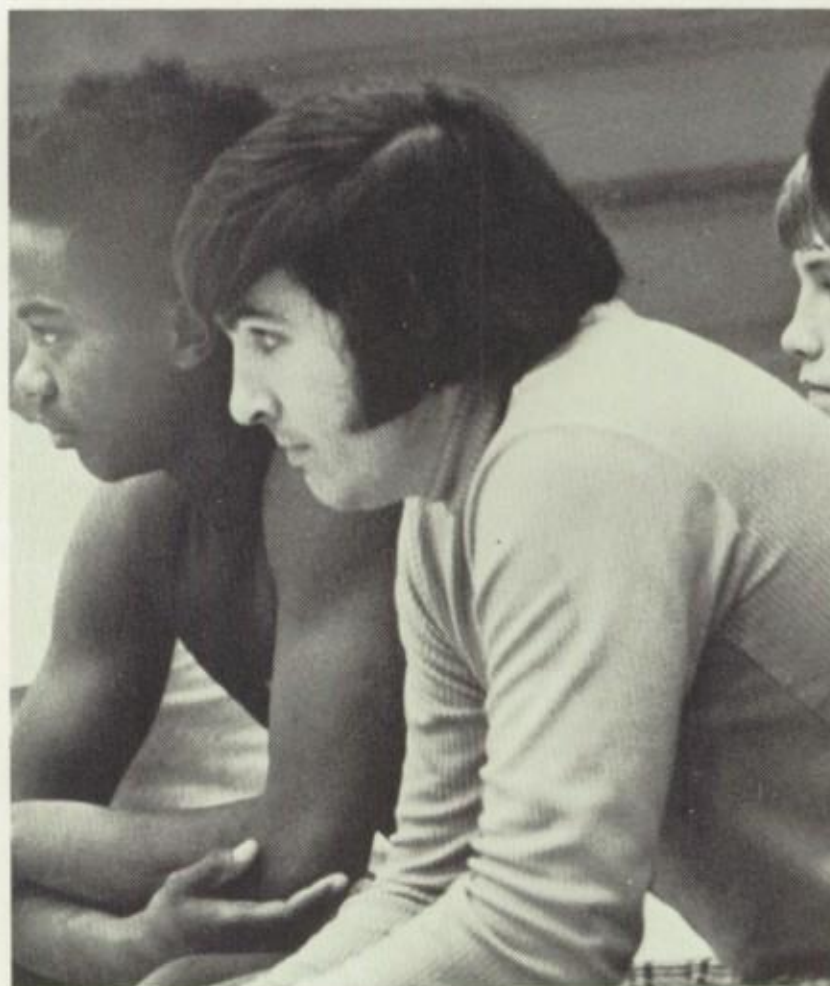

Despite the loss of several outstanding wrestlers from last year's squad, the Eagle matmen posted a fine 8-5 record, converting a rebuilding year into a winning season and taking third in the conference.

Captains Phil Whited and Mike Edwards proved to be exceptional team leaders as well as talented wrestlers. Both captains claimed second place finishes in the conference. Whited finished the year at 12-4; Edwards at 11-3. Clyde Fuller, Billy Pennington, and Wally Kernodle also took second in the conference. Alfred Lambert, Robbie Harris and Johnny McCaulley were much improved over last year demonstrating determination and aggressiveness.

In post season play, Edwards advanced to the State Tournament and Whited and Fuller placed in the sectionals.

The prospects for next year look very good for only three lettermen are graduating.

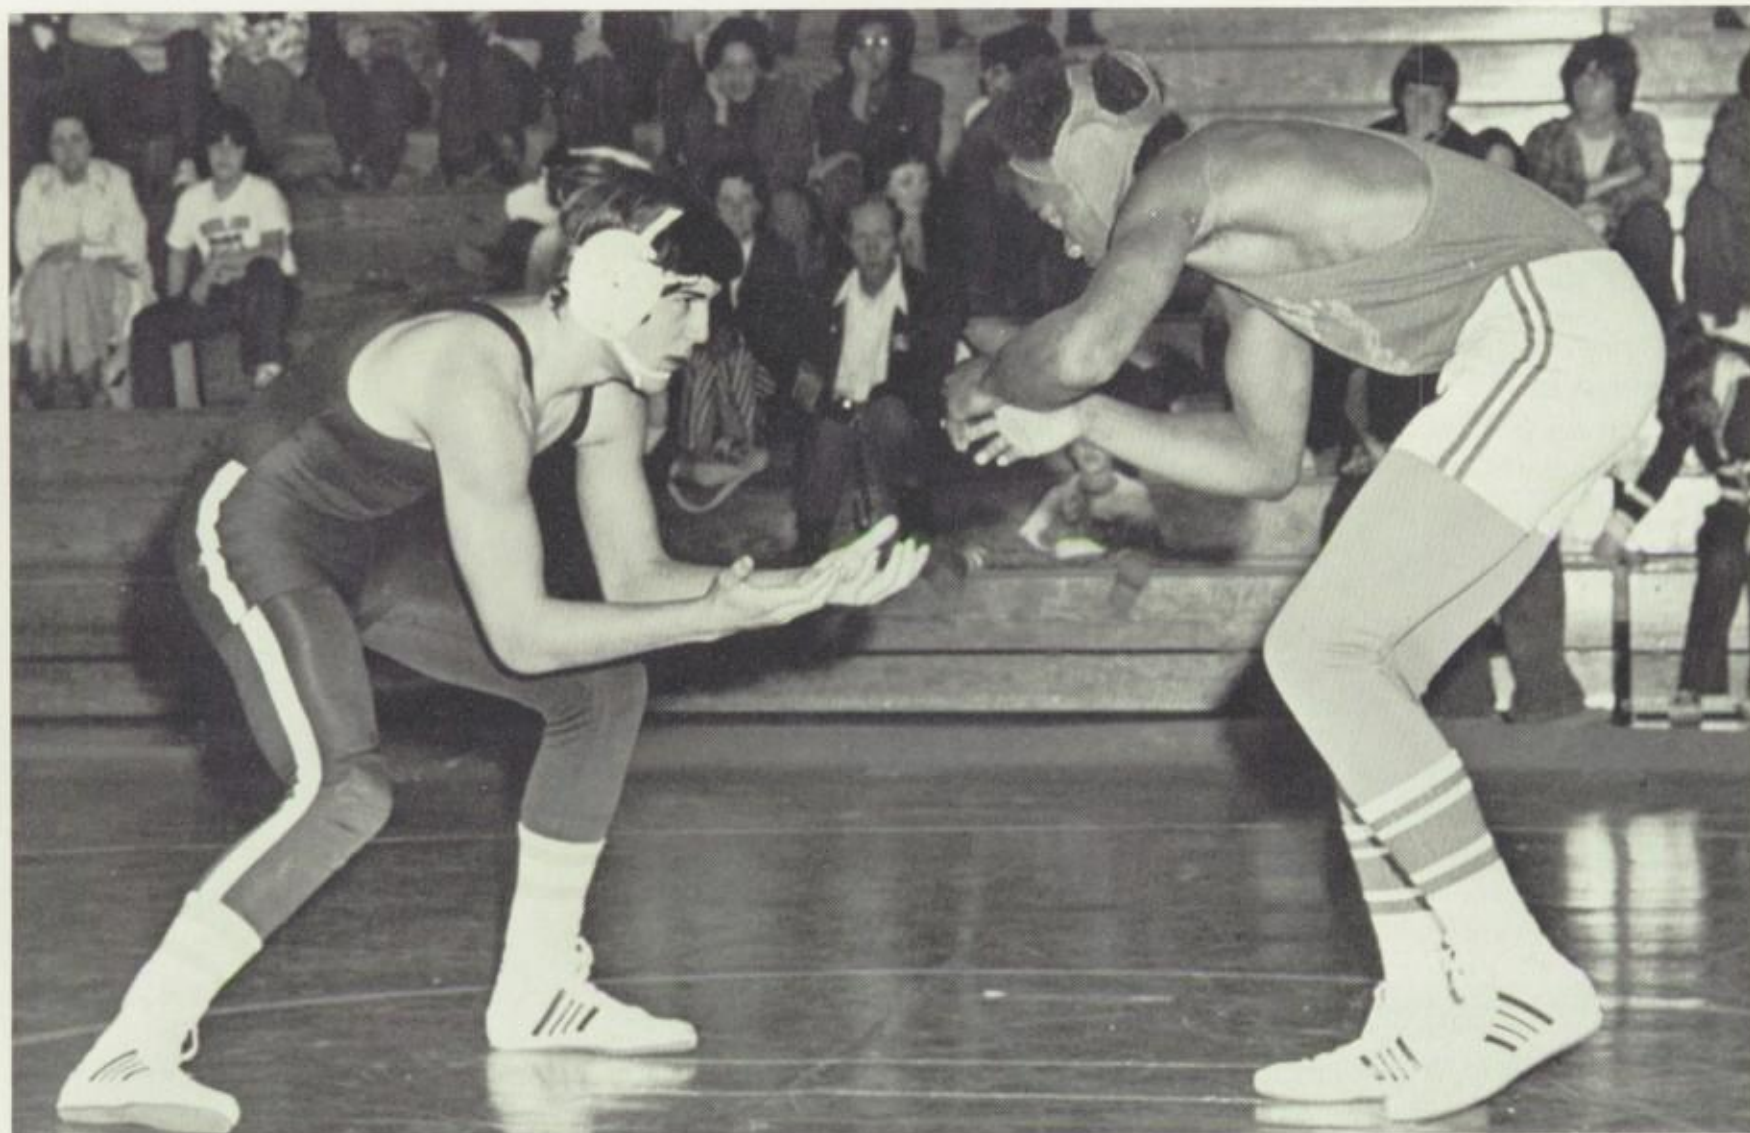

The wrestling team and Coach Butler were pleased that more fans attended the matches this year and felt that the support of fans helped build team morale.

Veterans Prove Asset to Eastern Baseball

The 1975 baseball team boasted eleven returning lettermen, including starters from last year.

"Heading up" a young pitching staff were Stan Williams and Jerry Broome. When not pitching Williams covered left field while Broome played as short stop. Steve Thomas backed the two junior hurlers as the top relief man.

Out fielders Henry Kimber, Charles Matthews, Tony Trollinger, and hard hitting first baseman Steve Hobbs were looked to for offensive leadership. The defense was steadied by Dave Wilkinson and catcher Archie Wilborn.

Desire, Determination, Expectation, Begin Eagles' Track Season

The Eastern girls' track program received a revitalizing boost in early spring with the arrival of new uniforms provided by the Boosters' Club and the prospects of a new track and track equipment.

Thirty girls reported for practice and Coach Beck was able to fill all available positions.

The early practice sessions were delayed because of an unusual amount of spring rain; however, the Eaglettes worked out in the weight room, the gym, and in "running" sessions to help develop stamina and speed.

Work on the track itself was also delayed because of the inclement weather and team members waited impatiently to work with the new hurdles and field equipment assembled in the gym.

Finally the rains ceased, the sun came out hot and bright, and the Eaglettes were off and running!

The Eagle track team waited impatiently for the winter and spring rains to cease, for new equipment and uniforms were on hand and plans were completed for the track.

A large number of men reported for practice and all available positions were filled. Few lettermen returned and no predictions could be made about the team's prowess in Mid-State East competition. However Spencer Woods and Dwight Love were experienced runners and their speed and agility added strength to the 880, the 440 and the mile relay.

Golf Competition Requires Individual Effort

Optimism and dedication were the key words used in describing the Eastern golf team. With Andy Bean, Greg Oakley, and Jimmy Russell leading a list of returning lettermen the Eagles appeared ready to compete for the conference championship.

Qualifying and practice were delayed because of unseasonably heavy rain, but once the flood waters abated the Eagle golfers were off to Arrowhead Golf Course to refine their form, add power to their driving game, or sharpen their putting skills.

'75 Season Catches Netmen Rebuilding

The Eastern tennis team opened practice in early spring with a young squad short on experience but long on enthusiasm. Graduation claimed several top players on last year's squad, but Coach Bryan Wall had hopes of regrouping rather than rebuilding his team.

Leading the list of returners were Dean Williams and Alan Stephenson. Lettermen Eddie Freshwater, Marcella Bullard, and Jeff Ray showed signs of continued improvement while freshmen displayed fine potential.

The Eagle netters were expected to improve as the season wore on, adding depth and strength to their enthusiasm.

ACADEMICS

Administration

Mr. Franklin Dover
Principal

Giving leadership to the total school program is the task of Eastern's principal, C. F. Dover, Jr. Mr. Dover's dedication to the school and its needs aids him in completing his duties in the best interests of the students.

Many tasks assumed by Mr. Dover seem beyond the realm of administrative responsibilities; yet he performs them with a dedication which is evidence of his love for Eastern. While he insists that students and staff share in the decision making process, Mr. Dover gives overall guidance to the total school program which insures a meaningful school experience for each student.

Mr. Cecil Caison serves as assistant principal of Eastern. Charged with the responsibilities of student discipline, Mr. Caison administers fair and firm judgment based on the adopted demerit system. In addition, Mr. Caison serves as Eastern's media specialist and bus co-ordinator.

Mr. Michael Clayton serves as administrative assistant and shares responsibility for student discipline.

Mr. Cecil Caison
Assistant Principal

Mr. Michael Clayton
Administrative Assistant

Dr. Robert Nelson, Superintendent of the Alamance County School system and the elected citizens who serve on the County Board of Education administer the county schools. These officials are aided by individuals who serve on the administrative staff, by interested citizens who serve on committees, by staff members in the school system and by representative students who contribute in decision making activities. The county system seeks to operate as a "unit," yet the particular interests and needs of each zone and school receive consideration.

The Local School Advisory Board is composed of individuals who live in the Eastern community and who have a particular interest in the school. This group of citizens is very helpful in furthering school-community relationships which aid the total school program.

Student Government

Students at Eastern elect officers and representatives to the student council. These persons present the needs and wishes of the students for consideration by the council, the administration, and staff. The council is directly responsible for planning and regulating assembly programs, dances, and social events. The council sponsors the magazine sale and administers the money in the student activities fund.

Cafeteria and Custodial Staff

Hungry students learn the line forms at the rear.

The aching sensation that disturbs us during the third period has little to do with a thirst for knowledge. It is partly thirst, but mostly hunger — a yearning urgency for a bowl of soup, french fries, spaghetti, or whatever they're serving on a bun. In spite of inflationary prices of food and energy, our cafeteria staff and helpers turn the fourth period into a pleasant, appetizing interlude in our school day.

Too often taken for granted, our custodians are faithful and efficient, quiet and friendly.

Driver's Education and Bus Drivers

Driver's education may be considered the "mobile" area of the curriculum at Eastern. Students who successfully complete this training under the direction of Mr. Archie Walker and Mr. Michael Walker learn something of the mechanical nature of the automobile, safe driving practices and gain practical experience in the driver training car. These students are well equipped to receive a driving permit, and when the proper age has been reached, a driver's license.

The service offered to the students at Eastern by the school bus drivers is invaluable. They are dependable and are to be commended for the courteous, efficient way they operate our bus fleet.

Art Department

The art curriculum at Eastern was expanded because of student interest in studying in this area. The first year art students enjoyed exciting new experiences in creativity and self-expression and found participation in the Eastern art show rewarding.

Advanced students further developed their natural abilities and skills by work in a variety of media and by concentrated study in given areas.

Area art shows and the Alamance County Art Center offered students additional opportunities to display their own work and to view the work of other artists.

A knowledgeable appreciation of art in many forms is gained by students who choose courses offered by the art department.

Business Department

In perhaps the most service-oriented department at Eastern, business students learn while they serve the entire school. Many teachers are fortunate to have aides who are assigned to them from this department.

Courses in the business curriculum are designed to prepare students for further study in the commercial field or to begin careers in the business world. A study of basic technical skills and experiences designed to further personal development receives emphasis.

Home Economics Department

At Eastern the Home Economics curriculum is practical, interesting, and challenging. Both young men and women have an opportunity to learn of proper nutrition, child care and development, serving skills, cooking skills, and home management. The acquisition of these skills will contribute to the personal development of the students and prepare them for family living.

The occupational home economics class gives the members an opportunity to gain practical experience working with young pupils at elementary schools as child care aides.

Math at Eastern enables students to pursue fundamental as well as advanced study. As a basic course and general background, general math is taught. Band

Mr. Tom Graham, Eastern's band director, works with an enthusiasm which is contagious to his young musicians. Though small in number, the Eastern band members, joined by eighth grade middle school students, presented music at football games, a Christmas assembly, and a spring concert which was certainly large in scope.

New uniforms have been ordered and will arrive in time to open the 1975 football season. These uniforms were provided by Eastern Band Boosters because of the increase in band membership.

The addition of a flag team performing with the marching band provided color to the football half-time ceremonies.

The choral department presented an excellent variety revue "The Entertainers" at a fall concert which was well attended.

Physical Education Department

All freshmen are enrolled in physical education and health classes. Though these are required courses, most students enjoy the games and skills drills and look forward to this period in their daily schedule. The gym and locker rooms are constantly filled with students who are busy "dressing out", playing in organized games, or just "shooting a few".

Advanced classes are available for students who wish to further develop their physical skills.

Knowledge of the human body is learned in health classes.

Science Department

Mr. Mac Edgerton
Physical Science; Advisor – Physical Science Club

The science curriculum at Eastern offers students an opportunity to take courses of a survey nature or an in-depth study. Physical science and biology courses give the students an overall picture of these particular areas in both natural and physical sciences. Students are required to study biology; however, they may choose their second science from a variety of semester courses on physics, chemistry and physical science.

The use of laboratory materials and techniques teach students to experiment and explore in order to learn more about our natural world.

Social Studies Department

Changes in the social studies curriculum necessitated the officers of classes in U.S. studies this year. Both juniors and freshmen were enrolled in these classes. Freshman classes studied North Carolina history also. Other areas in social studies which were available to students were world studies and current events. Current events was a particularly popular course.

Further curriculum changes are being planned by the social studies department which will give students an opportunity to study in depth a particular historical era.

Mr. Bryan Wall

Mr. Mike Clayton
U.S. History, Coach – Varsity Basketball, Coach – JV Football

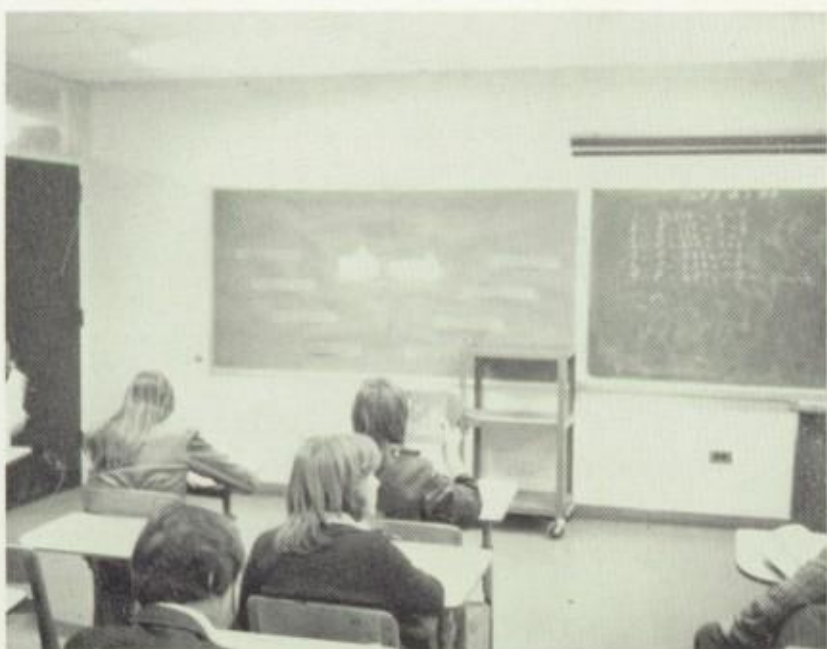

Mr. Carl Herman
U.S. and N.C. Studies, U.S. History, Advisor – Key Club

"I have not yet begun to sleep."

Mr. Clayton's students enjoy a group discussion in U.S. History.

Mr. Wall's freshmen "catch up" on their paper work in U.S. - N.C. Studies.

"But Mr. Herman, Oscar Wilde said 'History is merely gossip'".

Libby Scott delivers a historic address.

U.S. Studies students find Mr. Herman's bulletin board an example of the variety in American life.

Baliff Greg Chandler swears in witness Johnny Payne during their mock drug trial.

Mr. Lovette's students break into groups to discuss the American legal system.

Current Events students discover the excitement of big business by playing the Stock Market Game.

Vocational Department

Mr. Fred Brady
Business and Occupational Math; ICT I, II; Coach – Varsity Football; Advisor – VICA

The curriculum in Vocational education at Eastern offers a wide variety of choices to students who are preparing themselves for the "world of work" or those who are planning to pursue training in technical areas. Shop and skill courses in automobile mechanics, drafting, agriculture, carpentry, and brick laying are popular choices for male students. Health Careers Education, Distributive Education, and Industrial Cooperative Training are chosen by many juniors and seniors.

The training and skills acquired by many students studying in these areas will be valuable to them after graduation.

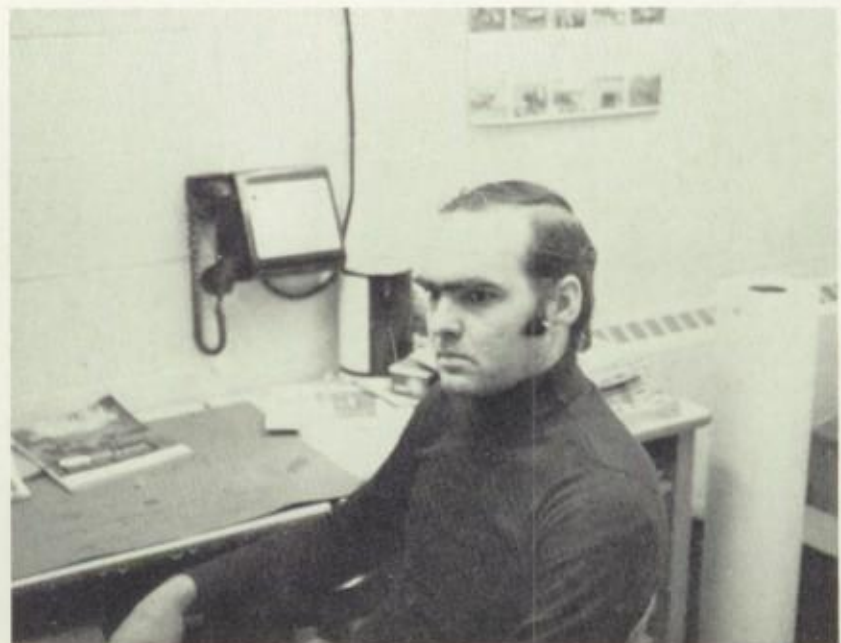

Mrs. Kathy Skakle
Distributive Education I, II; Fashion Merchandising; Advisor – DECA

Mrs. Diane Sink
Health Occupations I, II; Advisor – Future Health Careers

Mr. Mark Primm
Business and Occupational Math; ICT I, II; Advisor – Chess Club

Mr. Don Smith

Carpentry students prepare diagrams of their work before they begin actual construction.

Mr. John Baird
Bricklaying I, II.

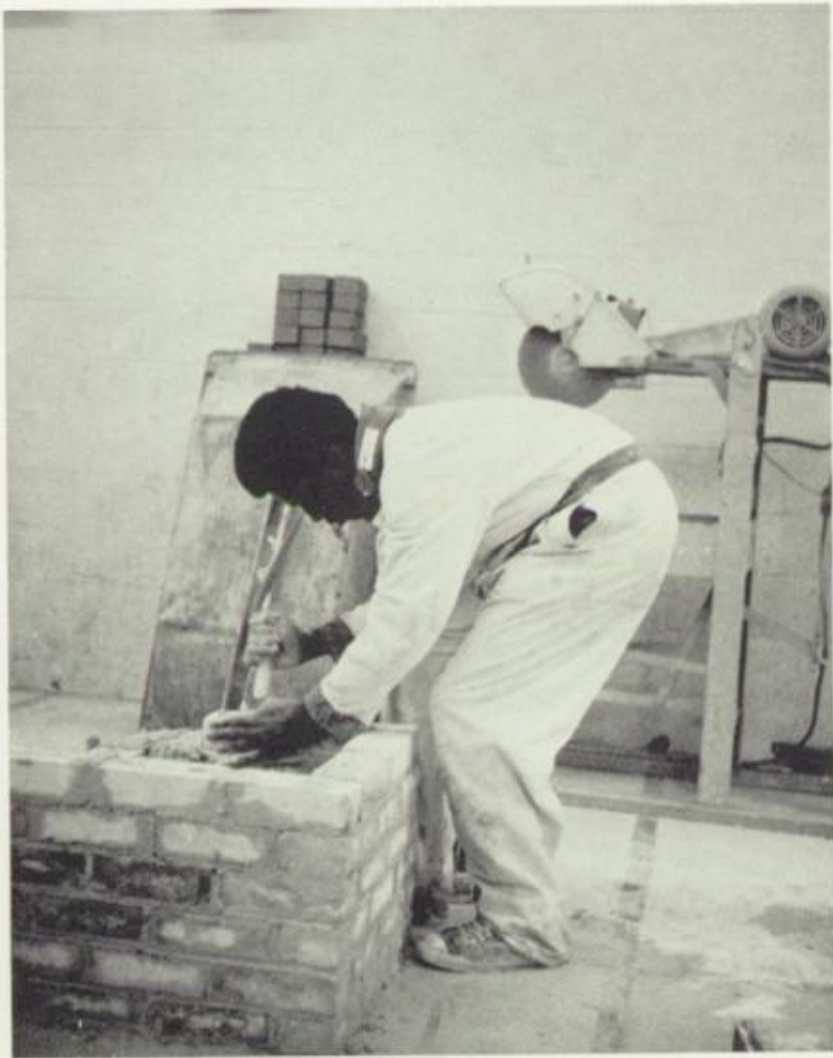

"Man, if I knew my car looked like that I'd never drive it again."

Mr. Benny Covington
Auto Industry, Forestry, Agriculture, Advisor - FFA

Johnny Payne uses his knowledge of electronics to keep the audio-visual equipment in good repair.

Barry Wilson gains experience in masonry in Mr. Baird's bricklaying class.

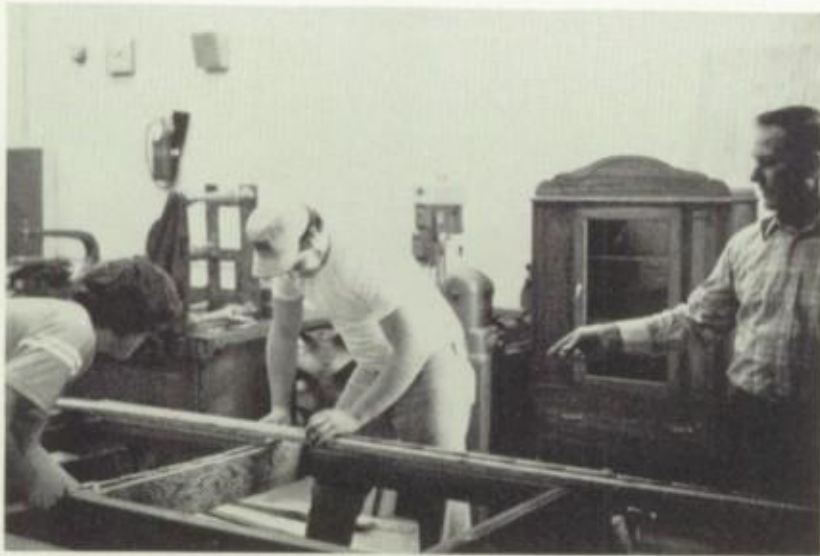

Mr. Covington seems to be saying "Run that by me one more time, Jay".

Future Teachers of America

Patti Wheeley, Sec.; Eddie Freshwater, Treas.; Teresa Simpson, Pres.; Vickie Roach, V. Pres.

The Eastern Future Teachers of America Club is very active in the school program. Each year the club sponsors a "Teacher Appreciation Week" and presents the faculty members with small gifts and services. "Teacher of the Year" and "Service" awards are made to two teachers whom the club members have chosen to honor.

The club meetings are well attended and the programs are informative and enjoyable. Mrs. Juanita Spaulding and Mrs. Marian Smith are co-sponsors.

Representatives of the Eastern FTA attend their state convention each year. This year the club sponsored Denese Patton for office of secretary of the N.C. FTA.

Eddie Freshwater and Craig Bradley help Denese Patton with her campaign for state FTA secretary.

Key Club

The Key Club is a service organization sponsored by the local Kiwanis Club. Pledged to school and community service, the members participate in a number of projects during the school year.

Projects for the 1974-75 included helping with the Bloodmobile, collecting for the heart fund, donating over 250 pounds of turkey to needy families at Christmas, painting the metal sign in front of the school and visiting patients at the John Umstead Hospital.

The motto for the Key Club is "We Serve".

Mr. Carl Herman is the sponsor for the Key Club.

Edwin Scott holds one of his famous minute meetings in the cafeteria.

Keyette Club

Keyettes Susan Pittard and Judy Wilson keep our Eagle posted on Eastern Athletics.

A sister organization to the Key Club, the Keyette Club is also sponsored by the local Kiwanis Club. Young ladies who are elected to membership in this club offer time and talents in service to Eastern and the school community.

Projects completed this year include visiting patients in the Cerebral Palsy Hospital and John Umstead Hospital, hosting a Halloween party for children in the Elon Home, collecting for the heart fund and paper drive, helping with the bloodmobile, preparing Thanksgiving baskets for the school custodians, and giving a banquet honoring mothers of Keyettes.

The motto for the Keyette Club is "We Serve". Mrs. Lou Clark is the sponsor for this club.

Civinette Club

The Civinette Club is a service organization for Eastern Co-eds who uphold the ideals of good citizenship. The Hawfields Civitan Club sponsors the Eastern chapter of Civinettes.

Service projects planned for this year include collecting money for the Heart Fund, raising money for the school with a spirit chain, the sale of pom-poms, participating in the March of Dimes Walkathon, helping the Booster's Club with the Auction, and raising funds for Muscular Dystrophy.

"Builders of Good Citizenship" serves as the club motto.

Mrs. Catherine Johnson is sponsor for the Civinettes.

Chess Club

Craig Murray and Jimmy Russell seem to be lost in thought during their match.

Present and potential chess players are invited to become members of the Eastern High School chess club. Most of the game competition is held between club members; however, four matches this year were held with teams from other area high schools.

Chess boards are often set up in the library, and, to visitors, it almost seems as if continuous games are in progress.

Jimmy Russell and Dean Williams are considered to be top-ranked Eagle players.

Mr. Mark Primm is the advisor for this club.

Gerald Coombs appears troubled by the fact he's taking on two opponents.

National Honor Society

The National Honor Society is an organization which honors students who have excelled in designated areas. Members are recognized for their achievements in scholarship, service to school and community, qualities of character and leadership abilities. Through the projects and programs of the Eastern High School Chapter of the National Honor Society, the members are given opportunities to fulfill the principle of service and leadership.

In addition to serving as host school for the district meeting and entering the High I.Q. Bowl competition, members of the club have served as official guides during student orientation and P.T.A. open house and have aided in the fund raising for muscular dystrophy.

Mrs. Mae Edla Shaw is sponsor of the club.

A black and white photograph of a large group of students in a school hallway. The students are of various ethnicities and are dressed in casual clothing typical of the 1970s, including sweaters, jackets, and beanies. Several students in the background have their fists raised in the air. The hallway is lined with lockers on the left and bulletin boards on the right. A clock is visible on the wall in the upper left. The word "ALBUM" is printed in a bold, serif font across the center of the image.

TAKE SOME OF YOUR MONEY OUT OF THE BANK AND PUT IT IN A MATTRESS.

Here's one investment you won't lose any sleep over. And we guarantee that it will give you firm support for twenty years.

Now, that's some guarantee. But the new Kingsdown Crown Imperial is some mattress. It has layer after layer of foam that provides gentle comfort right next to you, while special steel coils give you deep-down support.

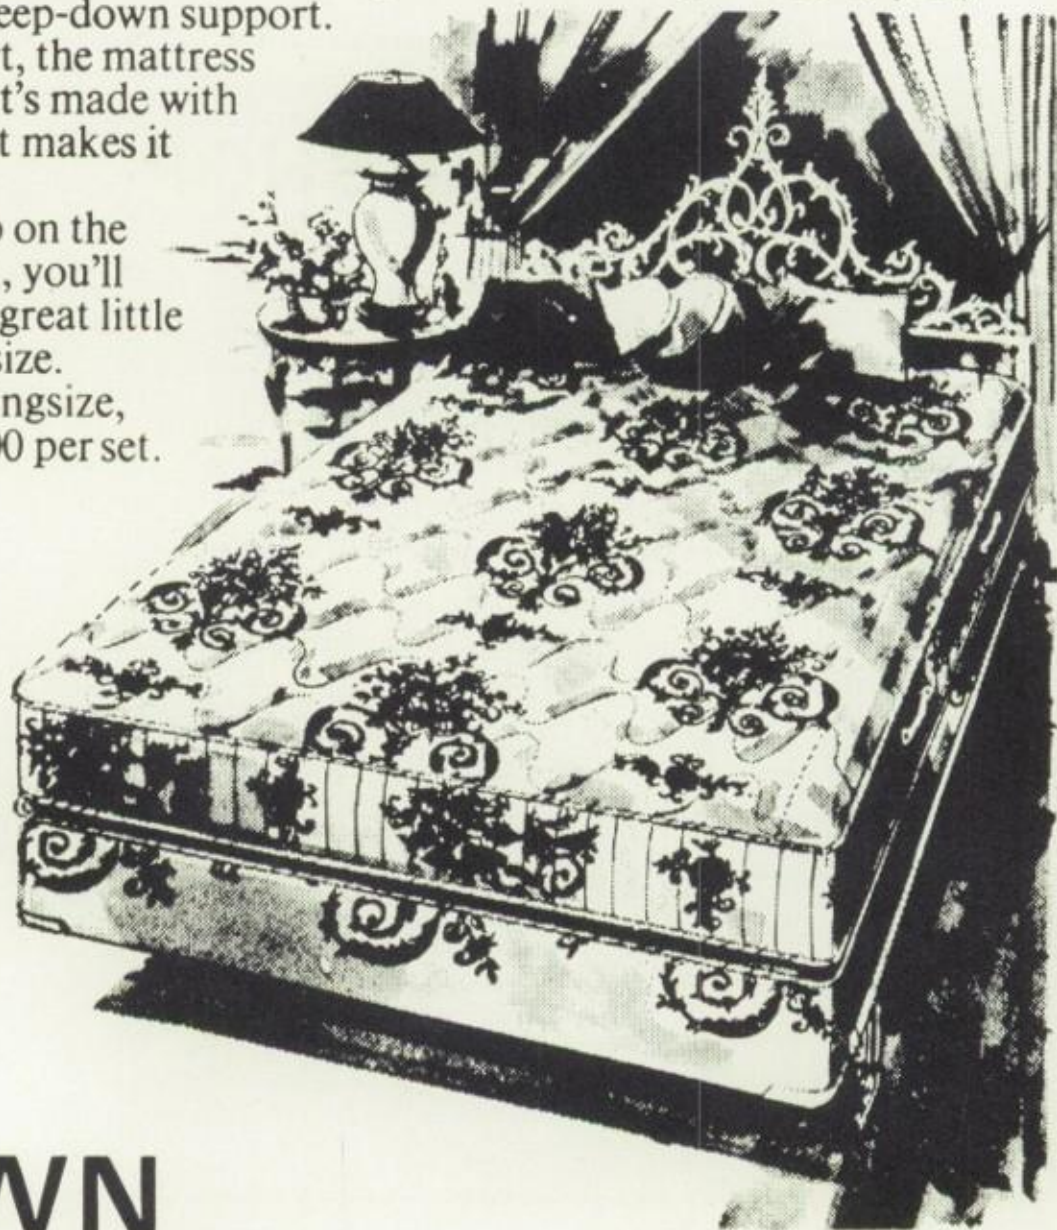

But with all that support, the mattress is extremely lightweight, because it's made with synthetic filling material. And that makes it completely allergy free.

The first night you sleep on the new and different Crown Imperial, you'll know you've put your money in a great little mattress. Or a kingsize. Or queensize. Standard Size, \$99.50 per unit. Kingsize, \$399.00 per set. Queensize, \$269.00 per set.

Cone — Champion of the casual way of life since 1895. We first made our mark in denim, and soon became America's leading manufacturer of this comfortable fabric. Next came Cone corduroy, an equal winner. Today the 25 plants of Cone Mills Corporation create and finish a whole line-up of fabrics for casualwear, sportswear, sleepwear, uniforms, and career apparel. Home furnishings and home sewing fabrics, towels, bedspreads—even dyestuffs and polyurethane foam are now part of our family of products. The 14,500 employees of Cone Mills Corporation are proud of their part in creating basic fabrics that are the backbone of American fashion.

*I am not afraid of tomorrow
For I have seen yesterday
And I love today . . .*

Another school year has passed and along with it the excitement, the thrills, the anxieties, the disappointments, and the good times. The staff of the 1975 annual has tried to capture the year's events which will become faded memories in future years.

We have tried to make the 1975 SIGNA the best in a long line of excellent yearbooks. It is the largest Eastern yearbook and certainly cost the most to publish. The book represents long hours of work given by many people and is evidence of the variety of talent possessed by staff members.

I would like to thank the student body for making this yearbook possible. You Eagles were the subject, the plot, and the theme with which we had to work. Your interest in "how it is coming along" and your willingness "to pose" aided us greatly in compiling a record of our year together at Eastern.

I would like to thank the members of my staff who have worked so well together. Many jobs which need to be done in annual publication are not glamorous or interesting, but are necessary. Thank you for being willing to do whatever was needed.

I would also like to extend a special thanks to my advisor, Mrs. Kitty Hupman, for the advice and the encouragement she has given me and the yearbook staff.

The past year has been a good year. There has seemed to be a special spirit at Eastern; a spirit that so few schools appear to have. The spirit represents understanding and patience, loyalty and brotherhood, individualism and unity. The spirit represents a group of people working together toward a common goal.

Freshmen are now looking forward to becoming sophomores and being recognized as veteran Eagles. When they are sophomores, they will feel they really have a place and a role to play at Eastern. They may even feel the superiority of being a higher class.

Sophomores are now half-way through their high school years. They may feel as if they have been at Eastern for a long time, and it would be difficult for them to realize what a short time it really is before they receive their diplomas and close a great era in their lives.

The Juniors are now ready to assume the role as the ranking class of 1975-76. As they become seniors, they will recognize a wisdom about Eastern, a knowledge of Eastern, and a love for Eastern.

Seniors — some of us are anxious to leave; others are reluctant. However, all of us will cherish these past four years of our lives.

It is important that we use the experience we have had during these past years here together to help us to become men and women of stature. It is important that we start "walking with some purpose that we can call our own . . ."
